ORDER OF THE BOARD (by Mr. Zeitlin):

This case is before the Board on a Motion to Reconsider our principal Opinion and Order in the matter, entered on May 6, 1976. The Motion was filed in letter form by Mr. Sample on May 27, 1976.

We find that none of the issues raised by Mr. Sample with regard to Rules 102 and 202 present grounds for revision of our Opinion and Order. Mr. Sample's third prayer for relief, for a Regulatory change, is not a proper Regulatory petition under the Board's Procedural Rules. Mr. Sample's Motion for Reconsideration is denied.

We do note, however, that Mr. Sample has correctly pointed out an error in our May 6, 1976 Opinion. The reference on page 2, 2nd paragraph, to "the Sample's fan ..." is incorrect, and is amended to properly reflect that the reference is to "the Peckham's fan...."

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 18th day of June, 1976, by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
