Re: Case No. AS 08-10

Dear Clerk:

Pursuant to 35 Ill. Adm. Code 104.420, I respectfully request an **additional** hearing with venue change in the matter of "RCRA Delisting Adjusted Standard Petition of Peoria Disposal Company", Case No. AS 08-10.

Under the proposed Adjustment Standard, K061 Electric Arc Furnace Dust (EAFD) generated by steel mills, will be excluded from the list of hazardous wastes. If EAFD is delisted, Peoria Disposal Company intends to possibly transport the EAFD to Indian Creek Landfill No. 2, located in Tazewell County **OR** to two other Subtitle D landfills in Illinois affiliated with Peoria Disposal. One of these Subtitle D landfills is located near Clinton, Illinois, in DeWitt County.

I represent DeWitt County and have received calls from constituents expressing concerns of the long term public health and safety of this specific proposal before the Pollution Control Board. Therefore, I request a public hearing be held in Clinton, Illinois. This second hearing will allow residents of DeWitt and surrounding counties an opportunity to participate in a public hearing regarding this important issue. I also respectfully request that the Board make every effort to schedule a public hearing for evening hours in order to make public attendance possible.

Your assistance in this matter is greatly appreciated. If you have any questions, please do not hesitate to contact me at (217) 876-1968.

Best regards,

BILL MITCHELL
State Representative
