INTERIM ORDER OF THE BOARD (by Mr. Dumelle):

This matter comes before the Board upon the October 19, 1977 motion by Mortell Management Company (Mortell) for extension of time to file a response to a motion made by the Environmental Protection Agency (Agency) to strike a portion of Mortell's closing brief. The motion is granted, and Mortell has 10 days from the date of this Order to file its response.

With the filing of Mortell's response, the record in this case will be finally complete. This matter will be ripe for decision and the Board will look unfavorably upon any action by the parties which would create further delay.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 10th day of November, 1977 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
