BEFORE THE ILLINOIS POLLUTION CONTROL BOARD

STREATOR PETROL PUMP, Petitioner, v.

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,

Respondent.

PCB 09-07 (LUST Appeal)

MOTION FOR EXTENSION OF TIME TO FILE AGENCY RECORD

Respondent, ILLINOIS ENVIRONMENTAL PROTECTION AGENCY ("Illinois EPA" or "Agency"), through its attorney, LISA MADIGAN, Attorney General of the State of Illinois, and Assistant Attorney General Rebecca Burlingham, her duly appointed assistant, respectfully moves the Illinois Pollution Control Board ("Board") to extend the time for filing the Agency record. In support thereof, the Illinois EPA states as follows:

1. On June 17, 2008, the Illinois EPA issued to Streator Petrol Pump ("Petitioner") a letter denying reimbursement of \$570.14 in costs the Petitioner requested in an application for payment from the Underground Storage Tank Fund.

2. On July 22, 2008, the Petitioner filed with the Board a petition for review of the Illinois EPA's June 17, 2008 decision.

3. In an order entered August 7, 2008, the Board required the Illinois EPA to file the entire record of its determination by August 21, 2008. The Board further ordered: "If the Agency wishes to seek additional time to file the record, it must file a request for extension of time before the date on which the record is to be filed."

4. The Illinois EPA believes the issues raised by Petitioner in its petition can be resolved, if given ample time. Thus, it would not be prudent to file the entire record at this time. Instead, the Illinois EPA is requesting an extension of time to file the entire record.

5. Counsel for the Illinois EPA has contacted the Petitioner's attorney, and Petitioner agrees to the extension of time to resolve the issues.

Therefore, the Illinois EPA respectfully requests the Board to extend the time for filing the Agency record for an additional 90 days.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY
