Notice of Petition by Ameren Energy Generating Company for an Adjusted Standard before the Illinois Pollution Control Board

On August 11, 2008, Ameren Energy Generating Company (Ameren) filed a petition with the Illinois Pollution Control Board (Board) for adjusted standards from the Illinois landfill regulations, 35 Ill. Adm. Code Parts 811, 814, and 815. This matter is docketed as AS 09-1. Ameren seeks adjustments to the landfill regulations so that it may close and cover an ash pond which is no longer in service at its electric generating facility located at 15142 E. 1900 Ave. in Hutsonville, Crawford County. Among others, Ameren seeks adjustments to the landfill groundwater quality standards, monitoring program, and cap requirements. For details about the petition and requested relief, please visit the Board's website at www.ipcb.state.il.us or contact the Board by phone at (312)814-3620. Any person may cause a public hearing to be held in the above-described adjusted standard proceeding by filing a hearing request with the Board within 21 days after the date of the publication of this notice. The hearing request should clearly indicate the docket number for the adjusted standard proceeding, as found in this notice, and must be mailed to the Clerk of the Board, Illinois Pollution Control Board, 100 W. Randolph Street, Suite 11-500, Chicago, Illinois 60601.

CERTIFICATE OF SERVICE

I, the undersigned attorney, certify that I have filed electronically the attached **Proof of Publication** with the Illinois Pollution Control Board and electronically served the Illinois Environmental Protection Agency with the same document, on September 9, 2008.
