Dear Illinois Pollution Control Board,

I am writing asking you to deny Peoria Disposal Company's permit to install delist electric arc furnace dust (AS 2008-010). The Pollution Control Board door expansion of the landfill, an expansion both Peoria County and the IPCB have already denied. The safety of what PDC is proposing cannot be assured—PDC conducted no assessment of the impact on its existing landfill, the process details are not available for review, the testing was very limited, no independent labs verified the results, and no on-site testing was conducted at the landfills where the material will be disposed. PDC's proposal simply shifts the risks to safe drinking water to communities over the Mahomet aquifer instead of the San Koty. Please work with the citizens of Central Illinois to begin the process of truly closing this unwanted legacy and eliminating further risks to the health and safety of our community.

Dear Illinois Pollution Control Board,

I am writing asking you to deny Peoria Disposal Company's request to delist electric arc furnace dust (AS 2008-010). The delisting is a back door expansion of the landfill, an expansion both Peoria County and the IPCB have already denied. The safety of what PDC is proposing cannot be assured—PDC conducted no assessment of the impact on its existing landfill, the process details are not available for review, the testing was very limited, no independent labs verified the results, and no on-site testing was conducted at the landfills where the material will be disposed. PDC's proposal simply shifts the risks to safe drinking water to communities over the Mahomet aquifer instead of the San Koty. Please work with the citizens of Central Illinois to begin the process of truly closing this unwanted legacy and eliminating further risks to the health and safety of our community.
