ORDER OF THE BOARD (by J. Anderson):

On August 11, 1986, the McHenry County Concerned Citizens and the McHenry County Defenders petitioned the Board to hear a cross-appeal of issues not presented by Waste Management, Inc. (WMI) in its July 25, 1986 appeal of the McHenry County Board's denial of site location suitability approval for a new regional pollution control facility pursuant to Section 39.2 of the Act. This cross-appeal may proceed, for the reasons stated in the Board's Order concerning this issue entered in McHenry County Landfill, Inc. v. McHenry County Board et al., PCB 85-56 and PCB 85-61 through PCB 85-66 (consolidated), May 30, 1985. (The Clerk's Office is directed to supply the parties with a copy of said Order). The cross-appeal will not be provided a separate docket number, but will proceed under the PCB 86-109 docket number pursuant to the timetable established by the Hearing Officer consistent with the Board's scheduling Order of July 31, 1986. The Board reminds the cross-petitioners that only WMI may extend the 120 day time period for decision established in Section 40.1 of the Act, and that it is the cross-petitioners'

responsibility to expeditiously pursue their case to avoid any delay which could jeopardize the Board's ability to render a timely decision.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 1~~4~~ day of August, 1986 by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
