**HEARING OFFICER ORDER**

On October 14, 2008, complainant participated in a telephone status conference with the hearing officer. Respondents did not appear. With respect to respondent Moline Place Development, L.L.C, complainant is waiting for the Illinois Environmental Protection Agency (Agency) to review photographs of the work accomplished at the site. The Agency may refer additional asbestos violations to complainant, but complainant does not yet know whether those violations will be filed with the Board or the Circuit Court. With respect to respondent Crosstowne Place Development, L.L.C., complainant plans to send a request to admit facts as a precursor to its motion for summary judgment.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:30 a.m. on January 13, 2009. The status conference shall be initiated by the complainant.

IT IS SO ORDERED.
