ORDER OF THE BOARD (by N.J. Melas):

On April 30, 2001, petitioners Rhodia, Inc. and Thorn Creek Basin Sanitary District filed a petition for an adjusted standard from 35 Ill. Adm. Code 302.208 and 304.105. The Illinois Environmental Protection Agency (Agency) is required to file a recommendation to a petition for an adjusted standard within 45 days of the filing of the petition. See 35 Ill. Adm. Code 104.416. The 45-day deadline lapsed on June 14, 2001.

On June 15, 2001, the Agency filed a motion for extension of time to file recommendation and affidavit (motion). The Agency has not had sufficient time to complete an internal technical review of the petition. The Agency requests an additional 45 days to file its recommendation.

The attorney for the Agency states that the attorneys for the petitioner have agreed to the motion and that petitioner will suffer no prejudice if the Board grants the motion.

The Board grants the motion and directs the Agency to file its recommendation in this matter no later than July 30, 2001.

At this time, the Board makes no determination on the sufficiency of the petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21st day of June 2001 by a vote of 7-0.

Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
