INTERIM ORDER OF THE BOARD (by Mr. Zeitlin):

On May 11, 1976 the Attorney General filed a Motion to Take Interlocutory Appeal in this matter. In an Interim Order entered May 20, 1976, this Board granted that Motion, and Ordered response to the issues raised in that Motion. Respondent's Brief was subsequently filed on June 4, 1976.

On June 29, 1976 the Attorney General filed a pleading entitled, Stipulation Requesting a Stay of Consideration and Decision of Complainant's Interlocutory Appeal. That pleading stated that the parties were engaged in additional settlement proceedings, and asked that our consideration of the matter be deferred pending completion of such settlement attempts. The parties stated that they would, within three weeks, notify the Board that either an agreement had been reached or that the parties would request a Board decision on the Interlocutory Appeal.

In fact, no communications have been received by the Board from either party to this litigation. No explanation whatsoever has been forthcoming for this lengthy delay.

We shall assume that this delay was not purposeful, and is the result of a simple error by one or both parties. To allow for correction of that error, the parties shall, within fourteen (14) days of the date of this Order, apprise the Board of the status of this matter.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Interim Order was adopted on the 28<sup>th</sup> day of October, 1976, by a vote of 5-0.

  
Christan L. Moffett, Clerk  
Illinois Pollution Control Board
