ORDER OF THE BOARD (by Mr. Young) :

On July 6, 1976 the Agency forwarded to the Board a variance request from the Village of Bureau seeking relief from the chlorination requirements of the Federal Safe Water Drinking Act. The Board does not have the authority to grant the relief requested and the petition is therefore dismissed.

If the Village wishes to seek relief from the chlorination requirements (Rule 305) of Chapter 6: Public Water Supply Act, the Village can resubmit a new variance petition following the procedure as outlined in Rule 401 of the Board's Procedural Rules.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 8th day of July, 1976 by a vote of 5-0.
