

ILLINOIS POLLUTION CONTROL BOARD
October 5, 1995

IN THE MATTER OF:)
)
UIC UPDATE, USEPA REGULATIONS) R95-18
(January 1 through June 30,) (Identical in Substance Rules)
1995))

Proposed rule. Dismissal order.

ORDER OF THE BOARD (by R.C. Flemal):

Pursuant to Sections 7.2, 13(c), and 22.4(a) of the Environmental Protection Act (Act), the Board would normally propose amendments to the Underground Injection Control (UIC) regulations semi-annually. Accordingly, the Board reserved this docket for U.S. EPA amendments during the period from January 1 through June 30, 1995. During this period, U.S. EPA amended its UIC rules one time, as follows:

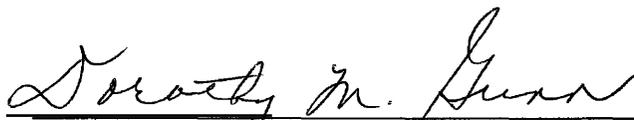

60 Fed. Reg. 33932, June 29, 1995

These amendments were limited to the removal of obsolete or redundant provisions. U.S. EPA removed 40 CFR 144.15, 144.23(b)(2), 146.52, and 148.1(c)(4). Since none of these provisions has a counterpart in the Illinois UIC regulations, no Board action is necessary based on this federal action.

For the foregoing reason, the Board hereby dismisses this proceeding.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above order was adopted on the 5th day of October, 1995, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
