

ILLINOIS POLLUTION CONTROL BOARD
May 30, 2001

IN THE MATTER OF:)
)
PROVISIONAL VARIANCES FROM) R01-31
WATER TEMPERATURE STANDARDS:) (Rulemaking - Water)
PROPOSED NEW 35 Ill. Adm. Code)
301.109)

HEARING OFFICER ORDER

The June 7, 2001 hearing in Springfield will begin at 2:00 p.m., rather than 1:00 p.m. Accordingly, the current hearing information is as follows:

FIRST HEARING JUNE 7, 2001

2:00 p.m.
ROOM 403
600 S. SECOND STREET
SPRINGFIELD, ILLINOIS 62704

On May 29, 2001, Stanley Yonkauski, on behalf of the Illinois Department of Natural Resources (DNR), filed a "petition for leave to intervene." In support of its motion DNR states "[DNR] is the state agency charged with, inter alia, the responsibility for statewide management of Illinois' natural resources including aquatic resources that could be impacted by the regulatory proposal," and "furthermore, [DNR] may be able to provide information relative to the decision of the Board on this application as it may affect the state's natural resources."

The Board welcomes DNR's participation, both at hearing and in the public comment process. But, the petition for leave to intervene is unnecessary as there are no "parties" in regulatory proceedings, as there are in contested cases. Accordingly, the petition for leave is denied.

IT IS SO ORDERED.

In compliance with the Americans with Disabilities Act and other applicable federal and State laws, the hearing will be accessible to individuals with disabilities. Persons requiring auxiliary aids and services should contact Dorothy Gunn, Clerk of the Board, at 100 West Randolph St., Suite 11-500, Chicago, Illinois 60601, at telephone number 312/814-6931, fax number 312/814-3669, or TDD number 312/814-6032, five days prior to the hearing.

Andrew E. Boron
