HEARING OFFICER ORDER

Today additional hearing dates are set to allow the Board to hear prefiled testimony. The hearings will be continued day-to-day or until the end of the day on February 18, 2009. The two days will be devoted to continuation of the testimony prefiled by the Metropolitan Water Reclamation District of Greater Chicago (District). The following District witnesses are scheduled to appear on February 17 and 18, 2009:

- Marcelo Garcia
- Adrienne Nemura
- Paul L. Freedman
- Samuel G. Dennison

When the testimony and questioning on of the District are completed, additional hearing dates to hear testimony from industry related to the CAWS will be scheduled. At this time the District has nine witnesses left who have prefiled testimony including the four planned for these hearings. Those additional hearings will begin with prefiled testimony from Corn Products and then CITGO, and then proceed to the prefiled testimony from the Environmental Groups concerning CAWS beginning with Victor Crivello and Alan Mammoser. This schedule was previously set forth in the August 27, 2008 hearing officer order. Participants should notify the hearing officer by email or in writing of dates in March, April, May, and June that they or their witnesses cannot attend. Future hearing dates will be decided, taking into consideration the participants' input.

All filings in this proceeding will be available on the Board's web page at www.ipcb.state.il.us and participants may file electronically on the Board's web page. The prefiled testimony and questions must be served on the persons on the service list, except it is not necessary to serve the hearing officer with the prefiled testimony and questions for these hearings.

IT IS SO ORDERED.
