ORDER OF THE BOARD (by C.A. Manning):

This matter is before the Board on a motion to substitute parties filed on February 6, 1997 by Primex Technologies, Inc., (Primex) f/k/a Olin Corporation (Olin). The motion states that on December 31, 1996 Olin reorganized its Ordnance and Aerospace Divisions into an independent, publicly traded corporation called Primex. The Marion, Illinois facility, which is the subject of this permit appeal, was part of Olin's former Ordnance Division that was reorganized to Primex.

The motion seeks to substitute Primex for Olin since the facility, which is the subject of this appeal, is operated by Primex and all future permits associated with the facility will be issued to Primex. The Illinois Environmental Protection Agency has reviewed this motion and, in a status report, stated that it had no objection to this motion for substitution. The Board grants the motion to substitute the parties in this matter. Accordingly, the caption of this order has been amended to reflect the Board's decision. All future pleadings shall set forth this amended caption.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the _____ day of _____, 1997, by a vote of _____.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
