

ILLINOIS POLLUTION CONTROL BOARD
April 25, 1991

IN THE MATTER OF:)
)
PETITION OF USX CORPORATION) R90-18
FOR HAZARDOUS WASTE) (Site-Specific
DELISTING) Rulemaking)

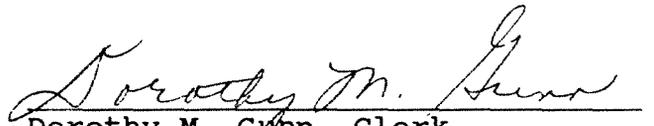

ORDER OF THE BOARD (by J. Anderson):

On November 29, 1990, the Board granted to USX Corporation (USX) a six month extension of time in this site-specific rulemaking because USX was advised that U.S. EPA would reopen its delisting file in this matter. In response to a Board Order of February 7, 1991, USX filed a timely status report, on April 8, 1991, stating that the "delisting petition has been reviewed by the [U.S. EPA's] Law Department and has been forwarded for signature." The report further states that USX "could expect to see the U.S. EPA's final decision published in the Federal Register within the month of April 1991."

The extension of time granted in November expires on May 29, 1991. The Board directs USX to file appropriate motions with the Board by May 20, 1991, indicating what action USX is requesting the Board to take.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 25th day of April, 1991, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
