ORDER OF THE BOARD (J. Theodore Meyer):

This matter is before the Board on the parties' October 16, 1995 Agreed Motion to Request Extension of Time to Set Hearing Date. The parties state that the complaint was filed on June 20, 1995. Pursuant to 35 Ill. Adm. Code 103.125(a), respondent, Polymer Color, Inc. is required to file its answer by July 21, 1995. The parties report that negotiations have begun and a draft settlement is currently before the Illinois Environmental Protection Agency. The parties ask for additional time to mediate the issues, the major issue being the amount of civil penalty and therefore request an extension of the required hearing time frame from 90 days to December 31, 1995.

The Board grants the parties' request to extend the hearing time frame requirement from 90 days to December 31, 1995. The hearing officer assigned to this matter shall order a status date for December 15, 1995 in which the parties shall indicate an anticipated date of resolution in this matter.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the _____ day of _____, 1995, by a vote _____.
