ORDER OF THE BOARD (by J. Anderson):

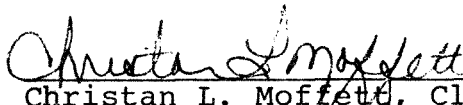

On December 4, 1980, Complainant moved to dismiss this complaint filed April 11, 1977, without prejudice. Respondent has made no objection to this motion.

The motion states that an agreed compliance plan was outlined at a hearing held October 10, 1977. However, no written stipulation was filed then or later. The motion further states that as of October 22, 1980 effluent and reporting problems had been basically resolved.

The Board would normally require that a stipulation be filed pursuant to Rule 331. However, given the age of this action, and in view of the fact that the problems complained of have been "basically" resolved, the Board hereby dismisses the complaint.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 8<sup>th</sup> day of January, 1981 by a vote of 5-0.
