HEARING OFFICER ORDER

On January 8, 2009, all parties participated in a telephonic status conference. Discussions centered on Complainants “Request to Expedite” that was filed on January 6, 2009. Complainants request is essentially a pleading to compel respondents to adhere to the agreed discovery schedule.

The complainants advised the hearing officer on January 28, 2009, that the parties have been proceeding with discovery and that the parties “should be able to get back on schedule soon”. The complainants represented that a revised proposed discovery schedule will be submitted in the near future. Once accepted, both parties are directed to adhere to the discovery schedule.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on March 12, 2009, at 10:30 a.m. The telephonic conference must be initiated by the complainants, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
