HEARING OFFICER ORDER

On April 27, 2009, the parties participated in a telephone status conference with the hearing officer. The hearing will be held on August 26, 2009, which is the alternate date agreed to by the parties. A hearing room was not available for the hearing date discussed at the status conference as the parties' first choice.

At hearing or in post-hearing briefs, the parties should consider proposing a remedy for a violation, if any (including whether to impose a civil penalty), and supporting its position with facts and arguments that address any or all of the Section 33(c) factors; and (2) proposing a civil penalty, if any (including specific total dollar amount and the portion of that amount attributable to the respondent's economic benefit, if any, from delayed compliance), and supporting its position with facts and arguments that address any or all of the Section 42(h) factors. If the case settles before hearing, the proposed settlement agreement should address these issues.

There are no status conferences scheduled before hearing, although the parties may contact the hearing officer if any issues arise.

IT IS SO ORDERED.
