ORDER OF THE BOARD (by Mr. Dumelle):

Petition filed January 3, 1977 is inadequate because it does not give the number of additional permits requested over and above the eight granted in PCB 76-63. Furthermore the extent of financial hardship, if any, in view of the earlier grant, is not presented. The complete record in PCB 76-63 should be stipulated into this proceeding. Also an updated schedule of the Dupo sewage plant correction should be provided.

Petitioner shall file an Amended Petition within 45 days of the date of this Order providing the items enumerated. Failure to timely file the Amended Petition shall make this cause liable to dismissal for inadequacy. The 90-day decision period set by statute shall commence with the filing with the Board and Agency of the Amended Petition.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 6th day of January, 1977 by a vote of 4-0.
