ORDER OF THE BOARD (by Mr. Goodman):

On January 16, 1979, the Board received a letter signed by David Lippold, Concerned Citizens Committee, requesting that the Board reconsider its decision in this matter based upon the allegation that Kent Shodeen deceived the Board in his petition for variance. The Board rendered its decision in this matter in September, 1978, after a full hearing in which all interested citizens had the right to participate. The proper time to raise the allegations in Mr. Lippold's letter would have been at the hearing. The Board finds that it is inappropriate to reconsider a decision based upon factual questions raised for the first time in a letter filed four months after the decision was rendered. The request for reconsideration is denied.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 13th day of February, 1979 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
