ORDER OF THE BOARD (by Dr. Satchell):

On September 21, 1979 the Hearing Officer in this and the related cases PCB 79-111 and PCB 79-114 filed a motion for authority to set hearing dates and related matters. The Hearing Officer's authority to grant continuances under Procedural Rules 307 and 311 has expired. On March 8, 1979 the Board entered an Order granting the parties a forty-five day continuance. The parties have not yet completed discovery, but anticipate that they will be ready for a hearing in January or February, 1980. On September 24, 1979 the Environmental Protection Agency filed a response indicating no objection to the motion.

The motion is granted. The Hearing Officer shall have authority to permit additional discovery, grant continuances and set hearings through March 1, 1980.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 4th day of October, 1979 by a vote of 4-0.
