ILLINOIS POLLUTION CONTROL BOARD August 28, 1986

VILLAGE OF LEMONT,)	
Petitioner,	<u> </u>	PCB 86-54
ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,)	
Respondent.)	

ORDER OF THE BOARD (by B. Forcade):

On August 12, 1986, the Village of Lemont ("Lemont") filed a Motion for Reconsideration of the Board's July 31, 1986, denial of variance in this matter. The August 12, 1986, motion seeks reconsideration and sufficient time to develop a compliance method. On August 20, 1986, Lemont filed an Amended Motion for Reconsideration, again seeking additional time to file a compliance method and compliance committments. On August 20 and 21, 1986, the Board received three objections to the motion for reconsideration.

The motion for reconsideration and the amended motion for reconsideration are denied, as they present no new issues of fact or law. If Lemont wishes to seek variance relief based on new compliance options and committments, it must do so in a new proceeding.

IT IS SO ORDERED.

Dorothy M. Gann, Clerk

Illinois Pollution Control Board
