ORDER OF THE BOARD (by C.A. Manning):

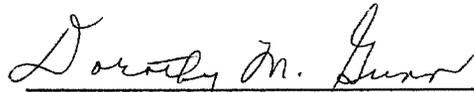

This matter is before the Board on Citizen Utilities of Illinois' (Citizens) status report and motion to further defer proceedings filed on October 13, 1995. Citizens requests that the Board extend the stay in this matter for an additional 90 days in order to allow the Illinois Environmental Protection Agency (Agency) sufficient time in which to issue a NPDES permit consistent with a settlement agreement reached between Citizens, the U.S.EPA and the Agency in a federal enforcement action. Citizens states that when the NPDES permit is issued, this docket will be moot and will be withdrawn.

Accordingly, Citizens' request of a 90-day extension is granted. Regarding future status reports, Citizens and additionally, the Illinois Environmental Protection Agency, are both directed to file a status report, either jointly or individually, on or before January 13, 1996. The status report is to indicate the status of the NPDES permit, whether additional time will be required or whether it will be necessary to proceed with this rulemaking. In the event the permit is issued sooner than anticipated, Citizens is requested to file the appropriate motion withdrawing R81-19.

IT IS SO ORDERED.

Board Member J.T.Meyer dissented and Board Memeber R.C.Flemal abstained.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 19th day of October, 1995, by a vote of 5-1.
