ORDER OF THE BOARD (by Mr. Goodman):

On July 22, 1976, Respondent herein filed its Motion For Modification of Final Order. In its Motion Respondent requests the Board to modify its October 30, 1975 Opinion and Order herein so as to relieve Respondent of the duty of making a certain decision on or before November 1, 1976.

Due to the constraints of the Public Notice portion of the Board's variance procedure, particularly with regard to public water supply and sewer variances, the Board will not modify the

October 30, 1975 Order herein. Instead we will construe the Motion of July 22, 1976 as a Petition for Variance from the Board Order in PCB 74-85 and PCB 74-194 and will assign the matter a new number. On its own Motion the Board hereby incorporates the record in PCB 74-85 and PCB 74-194 in this Petition for Variance.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 5th day of August, 1976 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
