ORDER OF THE BOARD (by Mr. Goodman):

This matter comes before the Board upon the Motion of Allied Chemical Corporation (Allied) for Reconsideration of the Board Order of May 20, 1976 herein. Allied wants the Board to make a very minor change in the original Opinion in this case issued January 22, 1976. The slight change in the compliance plan proposed by Allied in no way affects the final outcome of the Board Order of January 22, 1976 and therefore the Board finds no purpose to be served in amending the Opinion.

Should Allied experience difficulty with the Illinois Environmental Protection Agency (Agency) concerning this matter they can bring the matter before the Board for resolution at that time. The Motion for Reconsideration of the Board Order of May 20, 1976 is hereby denied.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 18th day of June, 1976 by a vote of \$-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
