ORDER OF THE BOARD (by Mr. Dumelle):

On October 26, 1977 Petitioner requested an extension of a prior variance from the effluent limitation for cyanide contained in Rule 408(a) of Chapter 3: Water Pollution of the Board's Rules and Regulations. The petition is inadequate for failure to specifically request or waive a hearing as required by Procedural Rule 401(b). The petition states that this is Petitioner's fifth request for a variance from the cyanide standard, but does not state the docket numbers of these prior proceedings or whether their records should be incorporated into this proceeding.

If these deficiencies are not corrected within 45 days of the date of this Order, this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 10th day of November, 1977 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
