ORDER OF THE BOARD (by Mr. Dumelle):

1. Petitioner Corporate West Development, Inc. is hereby granted a variance from Rule 962(a) of Chapter 3: Water Pollution to allow immediate issuance of a permit to construct a sewer connection from the proposed hotel on the Hotel Site in the Fireside development to the Village of Lisle sewer system with a daily average loading of 32,000 gallons of wastewater.

2. The County of DuPage is hereby ordered to increase the capacity of the existing Woodridge sewage treatment plant by 1.4 MGD. In the event this increase is inadequate to treat Corporate West Development, Inc.'s wastewater, the County of DuPage is hereby ordered to further increase the permanent capacity of the Woodridge sewage treatment plant to adequately treat the wastewater from Corporate West Development, Inc. and other dischargers to that plant.

3. Petitioner Corporate West Development, Inc. shall be granted a variance from Rule 962(a) of Chapter 3: Water Pollution to allow issuance of a permit to operate the sewer connection in paragraph 1, if such a variance is required, if the Circuit Court for the 18th Judicial Circuit orders the County of DuPage to increase the capacity of the Woodridge sewage treatment plant by 1.4 MGD or to further increase the permanent capacity of the Woodridge sewage treatment plant if necessary to adequately treat the wastewater from Corporate West Development, Inc. and other dischargers to that plant.

4. Within 45 days of the date of this Order Petitioner Corporate West Development, Inc. shall execute a certification of acceptance and agreement to be bound to all the terms and conditions of this variance. This 45 day period shall be

held in abeyance if this matter is appealed. The certification shall be forwarded to the Illinois Environmental Protection Agency, 2200 Churchill Road, Springfield, Illinois 62706 and shall read as follows:
