

ILLINOIS POLLUTION CONTROL BOARD
July 7, 1977

IN THE MATTER OF:)
)
PROPOSED DETERMINATION OF) PCB 77-124
THERMAL STANDARDS FOR THE)
JOPPA GENERATING STATION)

ORDER OF THE BOARD (by Mr. Young):

This matter is before the Board on the Petitioner's Motion (Pet. 3, par. 7) that the Board's determination be made on the basis of the pleadings and supporting documentation already filed herein. On June 24, 1977, the Agency filed a waiver of its right to a hearing and suggested that the Board render a decision based on the pleadings. The Petitioner's Motion is hereby denied and the hearing shall be held. The Board notes, however, that no objections have been filed to this petition and if no citizen opposition to this petition arises at the hearing, Petitioner may renew this Motion and rest its case on the pleadings and supporting documentation.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 7th day of July, 1977 by a vote of 5-0.

Christan L. Moffett pk
Christan L. Moffett, Clerk
Illinois Pollution Control Board
