 Respondent.)

ORDER OF THE BOARD (by Mr. Goodman):

This matter comes before the Board upon Motion for Modification and Clarification of Order by Olin Corporation (Olin) in which Olin request the Board modify its June 3, 1976 Opinion and Order herein.

It is a total mystery to the Board how even a layman could misconstrue the limits of the Certification set forth in subparagraph (e) of paragraph 3 of the aforementioned Order. Paragraph 3 of the Order indicates that Olin is to be granted a variance subject to five stated conditions noted as subparagraphs. The last subparagraph of paragraph 3 of the Order is the Certification in which Olin agrees to be bound by the conditions enumerated in the variance grant. There is no way this subparagraph of paragraph 3 could be extended to paragraphs 1 and 2 of the Order as should be clear with even a cursory reading of the said Order. The Board therefore denies Olin's Motion for Modification and Clarification of Order.

Since it is apparent from paragraph 4 of Olin's Motion that it has not yet prepared an appeal from the Order of June 3, 1976

the Board hereby extends the time for said appeal from said Order to 35 days subsequent to the date of this Order.

IT IS SO ORDERED.

Mr. Young abstained.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 8th day of July, 1976 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
