ORDER OF THE BOARD (by J. Anderson):

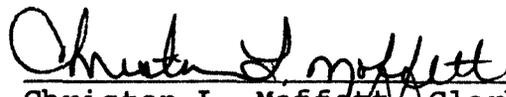

On February 16, 1982 petitioner filed an amended petition in response to the Board's Order of February 4, 1982. In reviewing its Order, the Board has noted that a paragraph specifying additional defects was inadvertently dropped from that Order.

First, the petition waives hearing but fails to contain an affidavit attesting to the truth of the facts alleged as required by Procedural Rule 401(b). Secondly, petitioner seeks variance to connect a new sewer to the sewage treatment plant operated by the Village of Lombard. The Board finds that the Village must be made a party to this action, as either an additional petitioner or respondent, pursuant to Procedural Rule 303(c).

If an amended petition curing these defects is not filed within 45 days of the date of this Order, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 4<sup>th</sup> day of March, 1982 by a vote of 4-0.
