PARTNERSHIP (FORMERLY BORDEN CHEMICAL) (Site-specific
COMPANY) FOR SITE-SPECIFIC RULE) rulemaking)
CHANGE REGARDING WASTEWATER)
DISCHARGES INTO AN UNNAMED TRIBUTARY)
OF LONG POINT SLOUGH)

ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a January 17, 1990 motion for expedited decision, filed by petitioner Borden Chemicals and Plastics Limited Operating Partnership (Borden). Borden asks the Board to expedite its decision in this site-specific rulemaking. Borden notes that it is currently operating under a variance from the water quality standards for total dissolved solids (TDS) and chloride. Those standards are also the subject of the instant rulemaking. The variance expires on October 6, 1990, or upon completion of the rulemaking, whichever comes first. Borden state that it wishes to avoid the need to file another petition for extension of the current variance, and therefore asks that the Board expedite its decision in this rulemaking so that the matter may be resolved before the October 6, 1990 expiration of the variance. Borden's motion for expedited consideration is granted, and the Board will act upon this rulemaking as quickly as possible consistent with the demands of its caseload.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 25th day of January, 1990, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
