- 6) Does this Rulemaking Contain an Automatic Repeal Date?: No.
- 7) Do These Amendments Contain Incorporations by Reference?

Yes. 35 Ill. Adm. Code 307 includes numerous incorporations by reference. The amendments change the requirements based on the federal amendments by updating the incorporations of federal regulations by reference that appear in Sections 307.4000 and 307.7500. The Board has used this opportunity to update all of the incorporations by reference of federal regulations that appear in these two Sections to the latest editions currently available.

not subject to First Notice or to Second Notice review by the Joint Committee on Administrative Rules (JCAR).

11) Differences Between the Proposal and the Final Version:

A table that appears in the Board's opinion and order of November 20, 2008 in docket R08-5 summarizes the differences between the amendments adopted in that order and those proposed by the Board in an opinion and order dated August 7, 2008, in docket R08-5. Many of the differences are explained in greater detail in the Board's opinion and order adopting the amendments.

The differences are limited to minor, non-substantive corrections in the text. The changes are intended to have no substantive effect. The intent is to add clarity to the rules without deviation from the substance of the federal amendments on which this proceeding is based.

12) Have All the Changes Agreed Upon by the Board and JCAR Been Made As Indicated in the Agreements Issued by JCAR?

Section 13.3 of the Environmental Protection Act [415 ILCS 5/13.3] provides that Section 5-35 of the Administrative Procedure Act [5 ILCS 100/5-35] does not apply to this rulemaking. Because this rulemaking is not subject to Section 5-35 of the APA, it is not subject to First Notice or to Second Notice review by JCAR.

Since the Notices of Proposed Amendments appeared in the August 29, 2008 issue of the *Illinois Register*, the Board received a limited number of suggestions for revisions from JCAR. The Board evaluated each suggestion and incorporated a number of changes into the text as a result, as detailed in the opinion and order of November 20, 2008 in docket R08-5, as indicated in item 11 above. See the November 20, 2008 opinion and order in docket R08-5 for additional details on the JCAR suggestions and the Board actions with regard to each. One table in that opinion itemizes the changes made in response to various suggestions. Another table indicates JCAR suggestions not incorporated into the text, with a brief explanation for each.

13) Will These Amendments Replace Emergency Amendments Currently in Effect? No.

NOTICE OF ADOPTED AMENDMENTS

- 14) Are There Any Other Amendments Pending on This Part? No.
- 15) Summary and Purpose of Amendments:

The following briefly describes the subjects and issues involved in the docket R08-5 rulemaking of which the amendments to Part 307 are a single segment. Also affected is 35 Ill. Adm. Code 310, which is covered by a separate notice in this issue of the Illinois Register. A comprehensive description is contained in the Board's opinion and order of November 20, 2008, adopting amendments in docket R08-5, which opinion and order is available from the address below.

This proceeding updates the Illinois wastewater pretreatment rules to correspond with amendments adopted by the United States Environmental Protection Agency (USEPA) that appeared in the Federal Register during a single update period. The docket and time period that is involved in this proceeding is the following:

R08-5	Federal wastewater pretreatment amendments that occurred during the period January 1, 2007 through June 30, 2007.
-------	---

The R08-5 docket amends rules in Parts 307 and 310. The amendments to the two Parts are inter-related. The following table briefly summarizes the federal actions in the update period:

March 12, 2007 (72 Fed. Reg. 11200)	USEPA modified the testing procedures approved for sampling and analysis in programs established under the Clean Water Act (CWA) and the SDWA. The wastewater pretreatment rules are established under CWA, and the Primary Drinking Water Regulations are established under SDWA. The amendments updated the versions allowed for existing methods and approved new methods for use.
--	---

Specifically, the amendments to Part 310 implement segments of the federal amendments of March 12, 2007. The amendments update incorporations by reference to include the USEPA amendments to the analytical methods provisions in 40 C.F.R. 136, 430, and 465.

Tables appear in the Board's opinion and order of November 20, 2008 in docket R08-5 that list numerous corrections and amendments that are not based on current federal amendments. The tables contain deviations from the literal text of the federal

amendments underlying these amendments, as well as corrections and clarifications that the Board made in the base text involved. Persons interested in the details of those corrections and amendments should refer to the November 20, 2008 opinion and order in docket R08-5.

Section 13.3 of the Environmental Protection Act [415 ILCS 5/13.3] provides that Section 5-35 of the Administrative Procedure Act [5 ILCS 100/5-35] does not apply to this rulemaking. Because this rulemaking is not subject to Section 5-35 of the APA, it is not subject to First Notice or to Second Notice review by the Joint Committee on Administrative Rules (JCAR).

- 5) Effective Date of amendment: NOV 26 2008
- 6) Does this Rulemaking Contain an Automatic Repeal Date?: No.
- 7) Do These Amendments Contain Incorporations by Reference?

Yes. 35 Ill. Adm. Code 310.107 is a centralized location for numerous federal requirements incorporated by reference into the Illinois wastewater pretreatment program. The amendments change the requirements based on the federal amendments by updating the incorporations of federal regulations by reference that appear in Section 310.107(b). The Board has used this opportunity to update all of the incorporations by reference of federal regulations and statutes that appear in this Section to the latest editions currently available.

- 8) Statement of Availability:

The adopted amendments, a copy of the Board's opinion and order adopted November 20, 2008, and all materials incorporated by reference are on file at the Board's principal office and are available for public inspection and copying.

- 10) Has JCAR Issued a Statement of Objections to These Rules? No.

Section 13.3 of the Environmental Protection Act [415 ILCS 5/13.3] provides that Section 5-35 of the Administrative Procedure Act [5 ILCS 100/5-35] does not apply to this rulemaking. Because this rulemaking is not subject to Section 5-35 of the APA, it is

not subject to First Notice or to Second Notice review by the Joint Committee on Administrative Rules (JCAR).

11) Differences Between the Proposal and the Final Version:

A table that appears in the Board's opinion and order of November 20, 2008 in docket R08-5 summarizes the differences between the amendments adopted in that order and those proposed by the Board in an opinion and order dated August 7, 2008, in docket R08-5. Many of the differences are explained in greater detail in the Board's opinion and order adopting the amendments.

The differences are limited to minor, non-substantive corrections in the text. The changes are intended to have no substantive effect. The intent is to add clarity to the rules without deviation from the substance of the federal amendments on which this proceeding is based.

12) Have All the Changes Agreed Upon by the Board and JCAR Been Made As Indicated in the Agreements Issued by JCAR?

Section 13.3 of the Environmental Protection Act [415 ILCS 5/13.3] provides that Section 5-35 of the Administrative Procedure Act [5 ILCS 100/5-35] does not apply to this rulemaking. Because this rulemaking is not subject to Section 5-35 of the APA, it is not subject to First Notice or to Second Notice review by JCAR.

Since the Notices of Proposed Amendments appeared in the August 29, 2008 issue of the *Illinois Register*, the Board received a limited number of suggestions for revisions from JCAR. The Board evaluated each suggestion and incorporated a number of changes into the text as a result, as detailed in the opinion and order of November 20, 2008 in docket R08-5, as indicated in item 11 above. See the November 20, 2008 opinion and order in docket R08-5 for additional details on the JCAR suggestions and the Board actions with regard to each. One table in that opinion itemizes the changes made in response to various suggestions. Another table indicates JCAR suggestions not incorporated into the text, with a brief explanation for each.

13) Will These Amendments Replace Emergency Amendments Currently in Effect? No.

NOTICE OF ADOPTED AMENDMENT

- 14) Are There Any Other Amendments Pending on This Part? No.
- 15) Summary and Purpose of Amendments:

The amendments to Part 310 are a single segment of the docket R08-5 rulemaking that also affects 35 Ill. Adm. Code 307, which is covered by a separate notice in this issue of the Illinois Register. To save space, a more detailed description of the subjects and issues involved in the docket R08-5 rulemaking in this Illinois Register only in the answer to question 5 in the Notice of Adopted Amendments for 35 Ill. Adm. Code 307. A comprehensive description is contained in the Board's opinion and order of November 20, 2008, adopting amendments in docket R08-5, which opinion and order is available from the address below.

Specifically, the amendments to Part 310 implement segments of the federal amendments of March 12, 2007. The amendments update incorporations by reference to include the USEPA amendments to the analytical methods provisions in 40 C.F.R. 136, 430, and 465.

Tables appear in the Board's opinion and order of November 20, 2008 in docket R08-5 that list numerous corrections and amendments that are not based on current federal amendments. The tables contain deviations from the literal text of the federal amendments underlying these amendments, as well as corrections and clarifications that the Board made in the base text involved. Persons interested in the details of those corrections and amendments should refer to the November 20, 2008 opinion and order in docket R08-5.

Section 13.3 of the Environmental Protection Act [415 ILCS 5/13.3] provides that Section 5-35 of the Administrative Procedure Act [5 ILCS 100/5-35] does not apply to this rulemaking. Because this rulemaking is not subject to Section 5-35 of the APA, it is not subject to First Notice or to Second Notice review by the Joint Committee on Administrative Rules (JCAR).
