HEARING OFFICER ORDER

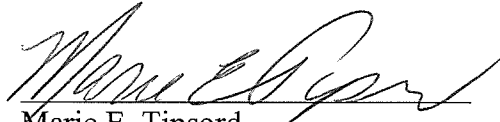

Today additional hearing dates are set to allow the Board to hear prefiled testimony. The schedule that has been developed will be followed as closely as possible. Where a witness is only available for one day we will make every attempt to accommodate the witness and hear and complete their testimony on that day. However, if additional time is needed, after consultation with the parties, a witness may be asked to return at a later date. The schedule of witnesses testifying on behalf of Midwest Generation on November 9 and 10, 2009, will be determined at the hearings already scheduled for August 13 and 14, 2009.
