ORDER OF THE BOARD (by D. Satchell):

On October 10, 1980 Illinois Power Company filed a motion to extend the stay of NPDES permit conditions granted by the Board in Orders entered March 6 and July 10, 1980 (37 PCB 479 and PCB). Under the July 10 Order the stay will expire thirty-five days after the Board's Opinion and Order of October 2, 1980. Illinois Power states that it is considering filing a motion for reconsideration and that it wants the stay extended to beyond the Board's decision on any such motion. The motion is granted. If a motion for reconsideration of the October 2, 1980 Order is filed by either party within the time provided by Procedural Rule 333, then the March 6 stay will continue until thirty-five days after entry of an order deciding such motion; otherwise, the stay will expire as provided in the July 10, 1980 Order.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 17th day of October, 1980 by a vote of 4-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
