**HEARING OFFICER ORDER**

On October 1, 2009, all parties participated in a telephonic status conference with the hearing officer. Discussions centered on the respondent's motion for an extension of time to answer or otherwise plead filed September 28, 2009, and respondent's motion for reconsideration of the August 20, 2009, Board order.

Over complainant's objection, the respondent's motion for an extension of time was granted. Respondent's answer or other pleading is now due to be filed on or before December 4, 2009. The due date for respondent's answer or other pleading may need to be revisited at the next telephonic status conference.

Complainant requested an enlargement of time to respond to respondent's motion for reconsideration. Respondent did not object. Complainant's response is now due to be filed on or before October 23, 2009.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on November 19, 2009, at 11:30 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
