HEARING OFFICER ORDER

On January 5, 2010, petitioner participated in a telephone status conference with the hearing officer. A construction permit has been issued, and the parties are still discussing whether an operating permit would be more appropriate than a CAAPP permit for this facility. The parties request an extended period of time before the next status conference to allow for discussion.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:30 a.m. on July 6, 2010. The telephone status conference will be initiated by the petitioner.

Petitioner filed an open waiver of the statutory decision deadline in this case.

IT IS SO ORDERED.
