ORDER OF THE BOARD (by Mr. Henss)

Respondent Carlson has filed Motion to Dismiss the Complaint and action. In response thereto, Complainant moves that we dismiss the Carlson motion. We construe the Complainant's motion as a request that we deny the Carlson motion. The matters raised in the motions will be appropriately considered after hearing on the merits. Therefore, we will take these motions with the case.

It is so Ordered.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted this 21st day of March, 1974 by a vote of 5 to 0.
