ORDER OF THE BOARD (by Mr. Dumelle):

Petitioner filed a Motion for Stay from Part 1 of the Noise Regulations (R72-2) on April 16, 1974.

The Environmental Protection Agency filed a Response on April 22, 1974. The Board requested the parties to furnish suggested Final Orders on May 22. Both parties submitted proposed Final Orders. The Board has decided to deny the Motion for Stay because it does not believe Petitioner as demonstrated that it is entitled to a complete stay of Part 1, as it was requested.

The Environmental Protection Agency stated that it had had no objection to granting of a limited stay, limited to a short period of time after the filing by the Board of its Brief in the Appellate Court hearing Petitioner's appeal. Petitioner stated on page 3 of its Answer to the Agency response that it did not want such a limited Stay.

The Board hereby denies Petitioner's Motion for Stay.

IT IS SO ORDERED.

Mr. Henss dissents.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 16th day of May, 1974 by a vote of 4-1.

Illinois Pollution Control Board
