ORDER OF THE BOARD (by Mr. Dumelle):

Letters dated October 5 (filed October 8, 1974) and October 10 (filed October 14) have been received requesting the "reinstatement of the former variance" (PCB 74-139, denied August 8, 1974). Since there was no former variance granted there is nothing to "reinstate". The petitioner appears to be in error on his statement that a Pollution Control Board member inspected the City of Farmington Sewage Treatment Plant.

Petitioner is advised to examine the Procedural Rules of the Board and prepare an adequate petition if future relief is sought. The instant case is dismissed without prejudice as being inadequate and inaccurate.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 17th day of October, 1974 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
