INTERIM ORDER OF THE BOARD (by Mr. Zeitlin):

The Board on April 24, 1975, granted Petitioner Metropolitan Sanitary District of Greater Chicago's Motion for Stay in this matter, pending resolution of a currently pending enforcement case brought by the Environmental Protection Agency against Petitioner. Thereafter on May 6, 1975, the Agency filed a Motion to Reconsider that decision, which Motion is the subject of this Order.

The Agency requests that the Board reconsider and reverse the April 24, 1975, Order allowing Petitioner a stay in this case. The grounds alleged by the Agency in support of its Motion are insufficient; they include a notation that Petitioner's Request for a Stay was made in the Petition in this matter, (and not in a formal Motion), and the fact that the Agency has filed an Answer in this matter. Neither ground presents substantive reasons which would warrant a reversal of our prior Order. The Agency's Motion must be denied.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board hereby certify that the above Interim Order was adopted on the 15<sup>th</sup> day of May, 1975 by a vote of 5 to 0.

  
Christan L. Moffett, Clerk  
Illinois Pollution Control Board
