**AMENDED HEARING OFFICER ORDER**

On May 24, 2010, all parties participated in a telephonic status conference with the hearing officer. The parties reported that written discovery has been completed. The complainant represented that it will review the affirmative defenses filed by the respondent on January 8, 2010. Finally, the complainant stated that it will proceed with further discussions with the respondent.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on June 29, 2010, at 9:30 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
