INTERIM ORDER OF THE BOARD (by Mr. Goodman):

Pursuant to the May 8, 1975, Order of the Pollution Control Board (Board), the Petitioner herein filed its amended petition for variance on June 17, 1975.

The petition remains insufficient in that Petitioner fails to specify the alternatives it has in the event Lewis University fails to complete negotiations with Romeoville for connection with Romeoville's south sewage treatment plant.

Therefore it is the Order of the Board that Petitioner amend its petition for variance within 45 days of the adoption of this Order. Said amendment should contain a copy of Petitioner's contract with Lewis University. In addition Petitioner must file a more detailed compliance plan enumerating its alternatives in the event the Romeoville connection does not materialize. Failure to timely file the needed information shall cause the petition to be dismissed for inadequacy. The 90-day decision period set by statute shall run from the date of filing of the second amended petition.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 10th day of July, 1975 by a vote of 5-0.

Illinois Pollution Control Board
