**HEARING OFFICER ORDER**

On July 8, 2010, parties participated in a telephonic status conference with the hearing officer. The respondents represented that they have approximately 20 tires to remove from the site. The respondents assured the hearing officer that they will be removed prior to the next status conference. It is anticipated that if the tires are not removed prior to the next status conference, a hearing will be scheduled.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on August 26, 2010, at 8:45 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
