ORDER OF THE BOARD (by C.K. Zalewski):

On July 1, 2010, Johnson Oil Company, LLC (Johnson Oil) filed a motion to voluntarily dismiss this underground storage tank (UST) appeal. Johnson Oil had contended that the Illinois Environmental Protection Agency (Agency) improperly reduced Johnson Oil's proposed high priority corrective action plan budget. The appeal concerns the leaking UST site located at 851 East Main Street in Danville, Vermilion County. Johnson Oil now moves for voluntary dismissal because it received "the final Settlement Agreement" from the Agency. Motion at 1. The Board grants Johnson Oil's motion, dismisses this appeal, and closes the docket.

IT IS SO ORDERED.

I, John Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 15, 2010, by a vote of 5-0.
