OPINION AND ORDER OF THE BOARD (by Mr. Dumelle):

The Opinion and Order of the Board amending Air Rule 205(b) entered on December 20, 1973 and R73-6, renders Texaco's petition for variance from Rule 205(b) moot. Texaco is now in compliance with the amended Air Rule 205(b) because Texaco is currently utilizing submerged pipe tank loading. Texaco's petition for variance is hereby dismissed as moot.

IT IS SO ORDERED.

Mr. Henss was not present.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Opinion and Order were adopted on the 3RD day of January, 1974 by a vote of 4-0.
