**HEARING OFFICER ORDER**

Today the Board proceeded to first notice in Subdocket A dealing with the issues related to recreational use designations and granted a motion for additional hearing in Subdocket B addressing issues relating to disinfection. The Board previously ruled that a hearing will be held on the Metropolitan Water Reclamation District of Greater Chicago (District) habitat studies and on the issue of Asian Carp. Therefore a prehearing conference will be scheduled to set hearing dates and dates for prefiling of testimony and questions. A prehearing conference will be scheduled at 2 p.m. on either August 17, 18 or 19, 2010. Participants should notify the hearing officer by phone, email, or in writing if they are unavailable on one of those dates. The participants must notify the hearing officer of any unavailability by August 12, 2010. A hearing officer order will be entered on August 13, 2010, setting the specific day. Participants should check the Board's website for scheduling of the prehearing conference.

IT IS SO ORDERED.
