Petition For Review

I am asking for review of citation on file number 232-10-AC 1990555206- Williamson County.

The reason I am asking is because we didn't cause the mess. We are a recycling company, and people would throw material on the ground when we weren't open. We had containers out, and they wouldn't use them. We also had pallets stacked that the electric company came in and knocked around when they went to work on a transformer. They were at wrong location, and if they had ask, we would have moved them.

C & T Recycling is not a corporation, so therefore, we do not have a attorney representing us.

Respectfully,

Todd Booten C & T Recycling
