HEARING OFFICER ORDER

On September 23, 2010, a telephonic status conference was held. The attorney for the complainant represented that they are awaiting their client's decision on how to proceed on the 55th Street issue. All parties are assisting with technical help in an effort to move this matter forward.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 18, 2010, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. The complainant represented that it will notify the parties and the hearing officer of a call-in number prior to the next telephonic status conference. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
